

JOB TITLE: Appliance Service Technician

WestCoast Appliance Gallery is looking for the right candidate to start a career in the Appliance Service Industry. This position is perfect for you if you are a hardworking, highly motivated individual who works well in a team environment. We are looking for all applicants both domestic and international. We will sponsor and assist with the immigration process from beginning to end ensuring that you are setup to succeed for a life in Canada. If you put great pride in what you do and this shows by your customer focus, punctuality, dedication to the job, and your attention to detail then a career in the appliance service industry is for you.

Job Description:

Responsibilities Include but are not limited to:

- Follow work order descriptions to determine repairs or modifications to major appliances
- Diagnose and repair major appliances by referring to schematic drawings, product manuals, and troubleshooting guides
- Trace electrical circuits, follow diagrams, and use circuit testers and other electrical equipment for repair purposes
- Ability to repair electric and gas appliances such as replacing worn and defective switches, bearings, transmissions, belts, gears, circuit boards, and wiring
- Ability to reassemble units, including making minor adjustments and lubricating as needed once repairs are complete
- Maintain stock inventory in service vehicle for on-site installation and repairs
- Install appliances, including observing and testing following installation to ensure quality and completing any initial adjustments on mechanical equipment to guarantee proper functioning
- Teach customers how to use their new appliances and provide information such as manuals and emergency service numbers
- Communicate quickly and professionally with supervisors to receive assignments and resolve equipment repairs
- Complete appropriate service tickets and paperwork
- Receive payment for completed jobs

Requirements:

- 3-5 years of Appliance Service Technician experience required
- Clean credit and criminal records (credit and criminal check is part of the employment process for this position)
- Willingness to work with and train other related repair technicians
- Motivated individual and must be a team player
- Experience with Microsoft Office (for completing reports)
- Valid driver's license with clean driving record

What WestCoast Offers:

- Extended medical/dental benefits after 90-day probation period
- Prompt bi-weekly pay via direct deposit
- Competitive wages
